APPROVAL OF STATE ENGINEER

This is to certify that I have examined the foregoing application and do hereby grant the same, subject to the following limitations and conditions:

This permit to change the place of use of a portion of the waters of an underground source as heretofore granted under Permit No. 13781 is issued subject to the terms and conditions imposed in said Permit No. 13781 and with the understanding that no other rights on the source will be affected by the change proposed herein. A substantial headgate and weir must be installed at or near the new point of diversion to facilitate the measurement and control of water. The State reserves the right to regulate the use of the water under this proposed change at any and all times.

The amount of water to be changed shall be limited to the amount which can be applied to beneficial use and not to exceed 1.2 cubic feet per second.

Actual construction work shall begin on or before May 4, 1954

Proof of commencement of work shall be filed before June 4, 1954

Work must be prosecuted with reasonable diligence and be completed on or before May 4, 1955

Proof of completion of work shall be filed before June 4, 1955

Application of water to beneficial use shall be made on or before

May 4, 1957. Proof of the application of water to beneficial use must be filed with State Engineer on or before June 4, 1957

Proof of commencement of work filed MAY 11 1954

WITNESS MY HAND AND SEAL this 4th day

Proof of Completion of work filed MAY 20 1955

of November, 953
